

## Actiwave Bibliography

The bibliography contains references for published papers and abstracts from scientific meetings, in which the use of the Actiwave monitoring system has been reported.

### 2010

**Clifford, T. (2010)** The Actiwave Recorder: Acceptability During Sleep. *British Sleep Society Annual Meeting 2010*

**Cussans, E., Wilcock, G.K., Foster, R.G., Wulff, K. (2010)** [Investigating sleep in moderate Alzheimer's disease.](#) *European Sleep Research Society Meeting 2010*

**Harper, J. (2010)** Sleep EEG Recording using the Actiwave Device. *British Sleep Society Annual Meeting 2010*

**Harper, J., Clifford, T., Fogarty, A., Kinnear, W. & Mason, R. (2010)** [EEG monitoring during sleep using the Actiwave miniature recorder - Feasibility.](#) *Poster, University of Nottingham*

**Harper, J., Clifford, T., Fogarty, A., Kinnear, W. & Mason, R. (2010)** [EEG monitoring during sleep using the Actiwave miniature recorder - reliability and acceptability.](#) *Poster, University of Nottingham*

### 2009

**Elbaz, M., Leger, D., Purday, M., Rouffet, G. & Raffray, T. (2009)** [Validation of the ActiWave mini polysomnogram \(associated with Embletta Gold\) v. complete polysomnography.](#) *Congrès de La Société Française de Recherche et de Médecine du Sommeil 2009*

### 2008

**Elbaz, M. (2008)** Actiwave: new technology of sleep recording. *Medecine du Sommeil*

**Evans, T. (2008)** [CamNtech report on Actiwave Sleep Trial](#) carried out by the University of Surrey.
